Summary

This is a case for an AirTag with a clip on the back so you can clip an AirTag to basically anything.

0.94 hrs	2 pcs	0.15 mm	0.40 mm	PLA	4 g	Prusa MK3/S/S+

3D Printers > Accessories

Tags: airtag case clip easy quick snapfit

The case is made so that both the AirTag and rear clip snap fit into place. Use a brim for the clip as it does not have enough bed adhesion without it. There is video explaining how to insert/takeout the AirTag and the rear clip.
