Summary

It's a rose.

Household > Home Decor

Tags: shelf vase desk window plant flower decor garden home rose love bud

Prints in place without supports, if you remove the stem and leaves while they’re warm you can bend and form them to look more natural.
DISCLAIMER: The thorns on the stem are pretty sharp, be careful when assembling the parts together.

Please consider supporting and join my club here on printables! It will directly help me continue to make you amazing designs like this.
