

Wall-mounted hand (Halloween)

Old Lady

[VIEW IN BROWSER](#)

updated 22. 8. 2026 | published 22. 8. 2026

Summary

Can be used not only for Halloween

[Art & Design](#) > [Wall-mounted](#)

Tags: [halloween](#) [hand](#) [wallmount](#) [halloweendecoration](#)
[halloween2024](#)

Before attaching the plate to the wall, first screw the hand onto it. Make a small mark on the underside of the panel so that the hand is fixed in the correct position later.

I have added a pin in case you prefer to have your hand come out of the ground.
