Goku

Added two G-code versions with added organic supports.

One for the Prusa S+ and one for the Prusa Mini (8/82023)

Stats representative of S+

gokufixed.stl is the oldest version. I will leave it up for a year or so.

If you decide to print with the new .3mf versions or the G-code versions please upload your results and let me know how they are printing. Cheers.

This remix is based on
