updated 21. 10. 2024 | published 21. 10. 2024

## Summary

A hinged full-sized SD card box with storage for 6x full SD cards. Seats in a gridfinity base.

Hobby & Makers > Organizers

Tags: gridfinity

Removed the micro SD card slots for 3x more full-sized SD card slots. Only the 0.4mm tolerance non-stackable version remixed.

This is a remix of nerdpersonthing's Hinged SD / microSD Card box (Printables), which is in turn a remix of fugalster's SD card box (Thingiverse), which in turn is a remix of povsky's linkage box (Thingiverse).
