Here you have a stylized Skull Hoody Boy.

The white render picture shows the 3D model you can download here, the colored picture shows **ONLY** a painting recommendation.

Would be happy to see your makes!

Take also a Look to the keychain Version. <https://www.printables.com/model/1218033-skull-hoody-boy-keychain>

### License & Usage

- **Free to download**
- **Private use only**

**If you are interested in commercial use of my models, can choose one of my Membership in my Printables Club as Crazy Business (Limited or Unlimited) or subscribe at Patreon. Would be great if you support me. Thank You very much. This helps a lot to create more free models in the future.**

It is partly AI generated, the painting recommendation picture deviates from the detail grade from the model which you can download here! Please do not download it if you want the details from the painting recommendation, but if you are able to do the painting you can download it and paint it afterwards also with small details.
