THIS IS THE OLD VERSION!

Check out the improved version here:
https://www.printables.com/model/584327-dollhouse-bathroom-set-v2
(Better 3D model integrity, visual improvements)

Scale is 1:12, you can scale up or down in you slicer. (For example, barbie scale is 1:6 so just scale everything up to 200%.)

These are designed to be easily printed without supports, and with large enough bottom surfaces for good balance.
