Developed by parents for parents! The MagicTokens are a kid's Disney Parks reward system. Let your little ones "earn" tokens while waiting for your big day (or days). In the parks, let your child "spend" 1 token for 1 treat. All within your budget of course! When you get home, place a magnet on the back and have a great keepsake! A FUN way to teach the value of earning!

Step by Step:

1. Your little one fills out the MagicTasks with 5 ways they will earn their Tokens.
2. For each completed task, have your little one check off EACH box and receive their MagicToken.
3. Once at the park, allow your child to "spend" by trading in a single MagicToken for a single item that you approve. (1 Token = Ears, or 1 Token = Pretzel).

4. Watch as your child really learns the value of spending!
5. When you get home, either save the MagicTokens for your next trip or apply magnets and have a great keepsake.
6. ENJOY!
