Tags: [bobafett](#) [helmet](#) [mandalorian](#) [clonetrooper](#)

This just a simple wall mount I knocked up to display a Clone Trooper helmet that @LoyalMoses kindly sent to my boy.

I printed mine in PETG with 0.2mm layers and 10% infill and zero support.

the model includes 2 x fixing holes but i only used one of them when hanging mine.

I hope you enjoy and this is useful for you guys.

Thanks

Bugman
