This is not a Christmas decoration ! more like a Christmas present !

Here is a very cute jewelry box !

The Idea is very cool and I might do some variants if enough of you ask for it !

Here is a very cute jewelry box ! it have multiple compartment, and even have a hidden one in the cat head.

It can also be printed on a mono-color printer and assembled later.
The example model was printed on an X1, with a 0.4 nozzle and with

Bambu mat brown PLA, overture Black, bambu grey and bambu mat pink for the small ring.

Let me know if you encounter any issue in you prints so I can help you fix it
