When viewing this sculpture, it seems to majestically glide past you.

This manta ray is surely a special highlight on your desk or in your living room. Calmly and gently, it takes its place with its wings, undoubtedly drawing attention.

This great piece has standard dimensions of **189 mm x 169 mm x 134 mm** and can easily be scaled.

It was printed using Generic PLA White with a **layer height of 0.16 - 2 walls and 15% infill**.

Tree supports are absolutely necessary!

Please carefully remove the supports after printing to avoid accidentally breaking the base.
