This cute bear figurine is perfect for a quick print, taking only 25 minutes to complete! Designed with smooth lines and simple shapes, it’s an ideal project for both beginners and seasoned makers. While minimal supports are needed for optimal results, the model is easy to handle and prints cleanly. These colorful bears make great decorations, small gifts, or playful additions to your desk or shelves. Mix and match different colors for a fun collection!

✔ **Prints in 25 minutes**
✔ **Minimal supports needed**
✔ **Fun, compact design**
I added an stl with the keychain hole and a gcode for mk3s+.
