Add a touch of humor to your home with this creative 3D model inspired by the legendary **"La Linea - Balum Balum"**animation from the 70s! The minimalist yet expressive character appears to interact with the switch, socket, or button, creating a fun visual effect.

Designed for **effortless installation**, this model doesn't require screws or modifications – just slide it between the wall and the switch cover for a secure fit. Its **universal size** makes it compatible with various types of switches and outlets.

Easy installation – wedge system, no drilling or disassembly needed.
Versatile use – perfect for light switches, flush buttons, and power sockets.
Great gift idea – for fans of classic animations and quirky home decor.
Customizable – can be scaled and printed in any color.

Download the file, print it, and enjoy this unique detail that will bring a smile to everyone’s face! This 3D model is created solely for educational, artistic, and personal use.
