Multi-material/Multi-color version pictured above available on my [Cults3d Page](#)

Overlay tile replacement for gloomhaven board game.

This is version of the wood dungeon door with a straight header instead of an arch, see remix source.

Print the "Print Plate" version and glue top on.

Print instructions

Resolution: 0.15mm

Infill: 20%

Notes:

Use a brim. Hinges will come free with some light persuasion. See summary details from remix source for more details. Glue header on top when done.
