Cable Organizer / Cable Clip / Cable Holder

- Multiple sizes from 20 to 65mm
- No assembly required
- Only 16mm thick
- Easy to open
- Size prints on the inside

Printing:

- No special settings or supports required,
- 0.2 mm layers
- 0.4 mm nozzle
- You will have to gently ‘break’ the hinge free / loose.

- Printer needs to be tuned well otherwise the result will be disappointing and the hinge might not work or break

You can find a 2x4 Gridfinity storage bin here!
