1:64 print-in-place kit card. Assembly required

Print in place kit-card toy. Use a pair of flush cutters to separate the parts then assemble the toy. I have included both a single color version and a multicolor version

*edit 03.20.25 added canvas roof with snap-of built in supports. File is in the "accessories" folder: <https://youtube.com/shorts/umHOPbsO3lw>

7

snap the seats
into place

8

attach the
window

9

snap the fuel cans
into place from the
underside of the
chassis

10

snap on the wheels.
their ability to spin
freely depends largely
on the print quality

   agepbiz

11

the final step is to attach
the steering wheel and
spare wheels

12

the assembly
is complete!
