Print and test controller clips to make sure they fit.

4 files provided here:

1: STEP file for those who'd like to modify the clip to fit their controller (Beware that the aftermarket controller still may not fit the race wheel depending on its dimensions in comparison to the original Xbox series X/S controller)

2: Xbox Series X/S controller

3: Xbox aftermarket Series X/S controller

4: Xbox Elite series 2 controller

Slide your controller in and go. Simple parts.

Fits most controllers. Even the elite S2.

Printed fully out of PLA. Or whatever the hell you want to print it out of.

One trigger for throttle one for brake and two bumper paddles.

Adjustable coil spring steering resistance.

Adjustable trigger press.

Simple desk/table mount.
