Liked the original design as it is a quick and easy print. I have adjusted pin distances so they fit on Montgomery and Pinnacle branded shelving from Bunnings.

Montgomery - 1mm metal thickness, ~33mm pin distance

Pinnacle MDF - 1.5mm metal thickness, ~33mm pin distance

Pinnacle Heavy Duty - 2mm metal thickness, 37.5mm pin distance

The above is a guide only as my shelves are a few years old now and I don't know if they have updated their design. Recommend measuring hole distance before printing unless you want to YOLO it.
