**Samurai Display Helmet for your shelf or setup!**

**Easy assembly!**

**Size:**

- 15cm high
- 14,5cm wide
- 12,5cm deep

The parts are ready for assembly and only need to be glued together. Connectors are included to help align the pieces correctly during gluing. For best results, paint the pieces before gluing, as this will make the process easier. However, avoid applying too much paint on the surfaces that need to be glued, ensuring a strong bond.

The writing on the base are japanese characters spelling "Bushi", which translates to warrior (Samurai).
