Summary

Remix for 18mm rods. Original was 22mm.

[Household](#) > [Bathroom](#)

Tags: [soap](#) [soapdish](#) [soapdishsoap](#)

The original Dish was made for a 22mm rod. At least it did not fit on mine.

So i added an extra thing in fusion360. Now it fits the 18mm rod quite well.

Printed with PLA (DasFilament Tonweiß) in 15% infill with no support.
Seems to work well.

Thanks to Tazor for the original design.

This remix is based on

Soap Dish
