Summary

Cordless drill mount for Ikea SKADIS

Tags: [ikea](#) [skadis](#)

I've remixed this model (originally from [alecreator](#) on Thingiverse) to consist of two separate hooks that could also be used for other tools.

Don't forget to mirror one of the hooks so that you can have an inward slant on both sides. Not printable without support at the moment, unfortunately.

This remix is based on
