Summary

I needed to get my Sharpies organized, and Vandelayandco's "Sharpie holder" was perfect. I need 8 with no mount.

I needed to get my Sharpies organized, and Vandelayandco's "Sharpie hold" was perfect, but I needed to gather up eight pens, and had no need to surface mount them. I literally just joined two of the original holders back-to-back and created a clean STL. Works perfectly. Thanks, @Vandelayandco!
