updated 5. 8. 2025 | published 5. 8. 2025

Summary

Rugged storage case with diamond-patterned surface.

Hobby & Makers > Organizers

Tags: box organizer 3d nut container storage hinge storagebox screw snapfit organization bolt tools latch pattern edc diamond

This second version builds upon my existing model available on Printables, offering a textured diamond-patterned surface.

https://www.printables.com/model/807708-storage-box-v10

BOM:

1. BOX BODY
2. BOX LID
3. LATCH (x2)

M3 Nuts & Bolts - https://www.aliexpress.com/item/1005005204317611.html

---

Design software: SOLIDWORKS

Slicer: Bambu Studio

KEY FEATURES:

Snap on lathc, only 2 M3 screws are required!
You can remix & improve the model freely!
All the files are oriented for convenient printing in STL format.
Minimal supports are recommended for the latch shafts. Considering the minimum possible amount of filament for printing!
