It was designed to print multi-material or with filament changes, so that's my recommendation.

An ornament based on the cover art for My Chemical Romance's album Danger Days and the Fabulous Killjoys symbol. I designed this for day 21 of my 25 Ornaments in 25 Days Challenge (<https://www.thingiverse.com/electric-pierogi/collections/25-ornaments-of-christmas-21>). This is one of my favorite albums so I wanted to include it in some Way (get it, Way, hehe). Enjoy!
