An ornament of the SpaceX Starship that fits around a standard Christmas mini light. Inspired by the design by AndysTechGarage (<https://www.thingiverse.com/andystechgarage>) and suggested by u/Tqm2012 on Reddit. The hook is designed to be able to hang in 8 orientations for easy hanging and positioning. Enjoy and Happy Holidays!

This is day 6 of my 25 Ornaments in 25 Days challenge, collection linked here: https://www.thingiverse.com/boulder_city_barron/collections/25-ornaments-of-christmas-21
