Summary

A remix of a great file, but adjusted to be for smaller 5mmx4mm magnet. Remixed by removing the portion 0.8-1.8

[3D Printers](#) > [3D Printers - Upgrades](#)

A remix of a great file, but adjusted to be for smaller 5mmx4mm magnet.

Remixed by removing the portion 0.8-1.8, effectively making the entire file 1mm shorter. Thread etc lines up, so no “important” part was lost.
