updated 7. 2. 2022 | published 7. 2. 2022

Summary

Remix of the Ultimate Filament Sample Spool

[3D Printers](#) > [Accessories](#)

Remix of the regular-width filament sample spool by [Lopatka](#). Changed the fillets for chamfers and removed the surface writing for improved printability. Printed great and threads worked perfectly in both eSun PLA+ and eSun PETG.

This remix is based on

Ultimate Filament Sample Spool

by Lopatka
