updated 23. 8. 2022 | published 23. 8. 2022

### Summary

Love theamzngqs' iPad stand but I have an iPad Pro...find the enhanced version also (NEW)!

[Gadgets](#) > [Other Gadgets](#)

Tags: [ipadpro](#)

Same requirements as listed in the original source model.

Update 8/23/2022: Put an “enhanced” version up, this one is beefier and stronger than the original (with pen holster only).
