Will be updating Models soon to account for thin walls. As is they are not printable unless you thicken in cura. (3.1.19) Ill try to have both small and large printable models with necessary supports.

Peace Dove Statue... Model... Will add stand or such soon.

Meshmixer - bend wings and add supports to printable model

Blender- Smooth and resize a few objects - I may have used solidify as well.. cant remember

Tinkercad- cut leaves of olive branch

Makeprintable - fix holes and things.

Also have a split left and right side of dove... which may be helpful to some.
