Summary

Brennenstuhl Premium-Alu-Line for Alu Extrusion

[Gadgets](#) > [Computers](#)

Tags: [simracing](#) [aluminumextrusion](#) [aluminiumprofile](#) [simrig](#)
[brennenstuhl](#)

I remixed this for my simrig. Its slightly bigger than the original version for better tolerances.

I added a 9mm hole at the end for M8 screws.

Like the original version you have to unscrew the end cap and slide the holders in and screw the cap on again. Dont take apart the multi plug inside or damage it!

Recommended 5 outlines and 20% infill for high rigidity.

This remix is based on

Brennenstuhl Premium-Alu-Line Extension Socket Mount
