updated 8. 2. 2022 | published 8. 2. 2022

Summary

Handsome bag hook with natural shape

[Household](#) > [Home Decor](#)

I wanted a bag hook with a natural shape, like a pebble.

Not load tested. Holds 2-3kg fine so far. Caution advised...

I will add a wall-mount with 2 screws. With only 1 it can spin loose when screwing on the hook.
