

## Gardena Handle Replacement

[VIEW IN BROWSER](#)

updated 8. 2. 2023 | published 8. 2. 2023

### Summary

This is a replacement handle for an older version of the Gardena garden hose reel. It improves the usability a lot.

### **This is a replacement handle for an older version of the Gardena garden hose reel**

Improved the usability a lot and saved me from buying a new reel.

Two pieces are needed to create one handle.

Creates enough clearance for easy rotation of the handle.

Clips together with a strong clip-on system

### **WARNING**

Once clipped together, you might not be able to separate the parts non-destructively. Assemble the parts directly on the handle bar.

## Print Settings

### Printer Brand:

Anet

### Printer:

A8

### Rafts:

No

### Supports:

No

### Resolution:

0.2 mm

### Infill:

25 %
