Summary

A spacer ring to dehydrate larger items in the Hydraflow EziDri 1000 series food dehydrators

[Household](#) > [Kitchen](#)

A spacer for your Hydraflow food dehydrator to process larger items. It has the same height as the original trays and is just as stackable.

A quarter of the outer ring just fits onto the MK3 print plate when skirt/brim is turned off. Print 4 of them and glue them together with superglue.
