### Summary

A modular rack for CO2 bottles like Sodastream, that fits on the IKEA Hejne shelf

[Household](#) > [Kitchen](#)

Tags: [ikea](#) [sodastream](#) [co2cartridge](#) [hejne](#)

A modular rack for the CO2 cylinder, to store them more efficient in the shelf. The rack fits perfectly on the IKEA Hejne shelf.

The parts are screwed together with M3x16 Screws. The connectors are unthreaded and the Screws are screwed direct in the connectors.

Printed with 3 perimeter and 15% infill.
