Simple mount that attached to the headphone strap cushion. Holds a bluetooth receiver.

Should also be compatible to BeyerDynamic DT770 DT880 DT990 and possibly others.

For more see https://xythobuz.de/2021_09_05_dt770_xlr_mod.html

Update 2021-12-15:

Made bluetooth holder a bit stronger to avoid it breaking so easily.
