Merry Merry is a member of the 2019 Holiday Collection. At the bottom of this summary, you'll find a list of all the members of the collection.

Merry Merry prints great in one color. Plus, a two color version is included. You don't need a multicolor printer or MMU to print it. Just glue the two TOP and BOTTOM "merrys" together with CA glue.

Choosing Holiday colors is always right. Something light and bright would be fun.

The two color samples shown were printed with standard PLA red and green.
