

3D MODEL ONLY

## Wailmer Watering Pail

**InducedRug**[VIEW IN BROWSER](#)

updated 10. 2. 2022 | published 10. 2. 2022

### Summary

I designed this in like 20min for a friend who wanted a pokemon pail

[Household](#) > [Outdoor & Garden](#)

Tags: [pokemon](#) [wateringcan](#) [pail](#)

I adjusted the angle of the water holes so it should reduce the amount of water that dribbles down the side of the pail from surface tension.

I completely forgot how I printed this so~\\_ ( )\\_/
