Tags: [replacement](#) [razer](#) [ornata](#)

Replaces a Razer Ornata thing between key and membrane. Do not use this on regular keys. it is printable with a 0.2 nozzle and slow speeds. Use this to replace the spacer from a not very often used key e.g. "print" and use the 3d printed spacer for "print" and use the this spacer for the other key.

a remix of this: <https://www.thingiverse.com/thing:4948857>
