Summary

Remix to fit a different style pegboard

[Hobby & Makers](#) > [Mechanical Parts](#)

Tags: [mount](#) [battery](#) [pegboard](#) [makita](#) [pegboardmount](#)
[18v](#) [makita18v](#) [pegboardholder](#) [makitabattery](#)

Remix from the following to in my pegboard:

<https://www.prusaprinters.org/prints/28626-18v-makita-battery-pegboard-mount>

This bracket is for metal pegboards with the following hole distance (you can take the dimensions from the pictures as well):

1. horizontal: 45mm
2. vertical: 62mm
3. slot size: 4.5mm

Print:

Printed flat with the hooks on the bed. Support is needed to print this part, but it comes off pretty easy.

This remix is based on

18V Makita Battery Pegboard Mount
