### Summary

I loved the design from Monkey3d, but I wanted some more storage for SD, microSDs, and USB sticks.

I loved the design from Monkey3d, but I wanted some more storage for SD, microSDs, and USB sticks. It took a few tries to get the angles for the card storage right, but we eventually got there!

Total size is 94mm (W) x 98mm (L) x 88mm (H)
