Update October 14th 2018

Added my Fusion 360 file to help the remixes.

My calliper came in a box, which is not practical for storage and not easy to access, so I made this small wall mount for it, and I love it. Now it is on hand all the time!

Should work with most of those from [Amazon](#) [https://www.amazon.com/s/ref=as\\_li\\_ss\\_tl?url=search-alias=aps&field-keywords=calliper&rh=i:aps,k:calliper&linkCode=sl2&tag=franks3dsho05-20&linkId=3](https://www.amazon.com/s/ref=as_li_ss_tl?url=search-alias=aps&field-keywords=calliper&rh=i:aps,k:calliper&linkCode=sl2&tag=franks3dsho05-20&linkId=3)

Enjoy!
