Summary

Emblem of the Dutch amplifier manufacturer

[Hobby & Makers](#) > [Music](#)

Emblem of the Dutch amplifier manufacturer

I printed one in PLA black with silver.
Paused the print where the text started (filament change).
After that, inserted the silver color filament.

Layer height: 0,2 mm

Speed: 50 mm/sec

Perimeters: 2

Infill: 15%

Optional: ironing for the highest layer
(Koch logo copyrighted by Koch Amps I guess)
