"Maybe love is hate.

Love is a dagger. It's a weapon to be wielded far away or up close. You can see yourself in it. It's beautiful. Until it makes you bleed. But ultimately, when you reach for it-

It isn't real. Love is an imaginary dagger." Loki and Sylvie, Loki, Marvel (MCU)

You know the quote, you know the serie, here is a special for Valentine. The **dagger** can be turn into a **pendant** for your love one and the **big heart** can make a beautiful decoration for a Marvel or Loki fan.

Now, you can choose among a few type of dagger (depending of the engraving) or you can throw the dagger into a heart (already done for you). Choose you pick.

Do not use as a real dagger, you are not that stupid.

Remix at will !
