this is a 3d printable version of <https://steamcommunity.com/sharedfiles/filedetails/?id=2735595511> I take no credit for the model, I only converted it into an easily 3d printable format. all modeling credit goes to manndarinchik on steam <https://steamcommunity.com/id/manndarinchik>.

UPDATE: I added another version with a flat back and sides that is easier to print

check out how I extracted the file from the game here
