183 g

Prusa
MK3/S/S+

[Gadgets](#) > [Audio](#)

Since this stand is pretty big I split it into two pieces which can be printed together on one plate on the Prusa i3 MK3S.

The print does not need any supports when printed as setup in the "Headphone Stand Split Complete.3mf" file or if the unsplit version is printed on it's back.

Made with the personal version of Autodesk Fusion 360 therefore non commercial only.

Source file included.

Model files

headphone-stand-split-complete.3mf

☐ Both halves of the split design arranged for the Prusa i3 MK3S.

headphone-stand.3mf

☐ Does not fit the Prusa i3 MK3S but could be printed on it's back on larger printers.

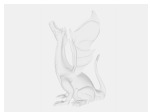

headphone-stand-split-foot.3mf

☐ Just the bottom half.

headphone-stand-split-head.3mf

☐ Just the top half.

headphone-stand.f3d

☐ Autodesk Fusion 360 source file.
