Do you have a favorite filament? Have you been trying to figure out how to show it off in all it's glory? Well look no further! I bring to you the Filament Holder Ring! This is a ring to hold and display your favorite filament. Get it while it's hot! ...then get it again when it's not!

Made to hold 1.75 size filament.

Print top down and with supports under the face. (It is possible that your printer will do better bringing so supports my not be necessary.)
