Summary

Pipe hanger for round 4" duct pipe. Installing exhaust for my laser cutter and drew this up to save money. PETG at 70%.

Pipe hanger for round 4" duct pipe. provides a tight fit that lightly snaps into place. Holds pipe off the wall about 1-3/4", which was perfect for aligning with the inline fan I had. Be careful not to overtighten top screw. Worked like a charm for me at 70% infill with PETG.
