Summary

I made these days of the week pill boxes and holder for all the people who need to take their pills with them

This is a remix of thing:1792078 I made the boxes smaller, added the days of the week letters and made the holder so all the boxes can be stored together.

Print the whole thing one color (Everything), or use the individual box files to print everyday a different color like in the picture. Remember you need 2x T and 2x S
