Summary

Replacement pad for bighorn fence clamps so they don't damage the aluminum fence on my table saw... they also extend...

[Hobby & Makers](#) > [Other Ideas](#)

Replacement pad for bighorn fence clamps so they don't damage the aluminum fence on my table saw... they also extend farther in since my fence was below the minimum width. Makes the clamps able to clamp up to 1 inch smaller and makes the pad 2 inches wide.

Probably worth printing with a high infill so threaded clamp doesn't drill through the pad.
