Summary

Holders to hang and store your TSO Guides on your garage door or Tool wall

[Hobby & Makers](#) > [Tools](#)

Tags: [woodworking](#) [festool](#) [toolorganization](#) [tracksaw](#)

There are three models in here. One to use on the wall in the horizontal position. One to hold the thin rods to use when narrow cuts. Last an end cap to use as a base when hanging up the rods vertically. Model can be printed oriented on its side so you don't need any supports.
